YMCA Childcare

The Owensboro Family YMCA is providing all-day childcare and virtual learning assistance for children ages 5-12. We have an enrollment maximum of 20 children during this time.

Cost: \$28 per child, per day for members, and \$33 per child, per day for non-members. There is an annual \$25 registration fee.

- Open 7:30 a.m. to 5:00 p.m., Monday through Friday.
- Our days include virtual learning dotted with exercise, playground/gym time, crafts, swimming, and snack time.
- Payments are due via phone the Friday before the week of care (Ex: payment for the week of October 26th would be due on October 23rd); There will be no refunds for no-shows. We must have accurate numbers to determine staff and supplies needed daily.
- We are a state licensed facility and do take childcare assistance through the state: Apply for state child care assistance by visiting: <https://benefind.ky.gov/>, calling 1(855)306-8959, or going to the Department of Community Based Services at 3659 Wathens Crossing in Owensboro. If you are on state funding, please switch your provider to "Owensboro Family YMCA". If state childcare assistance is denied, you can apply for YMCA Financial Assistance.
- There are strict cleaning and disinfecting guidelines in place, and parents/guardians are required to sign a self-certification form.
- Parents must provide up to date school schedules, log in information and anything else that will help staff administer schoolwork.
- Sorry, there are no multi-children discounts currently.
- Feeding program lunches are provided daily when school is in session, or refrigeration is available if you choose to send a lunch.
